

## **Insurance**

**WE DO NOT BILL INSURANCE**-If your insurance does cover acupuncture, we can provide you with an insurance-compatible Superbill. A superbill is an invoice for your visit that uses standardized codes for all treatments performed. This process requires the patient to pay the full cost of the treatment out -of-pocket at the time of the visit.

The superbill can thereafter be submitted to your insurance carrier for full or partial reimbursement depending on your policy.

## **Payment is Due at the Time of Service**

### **Health Savings Accounts**

If you have a Health Savings Account You are allowed to Use It For Acupuncture Session Payments

Acupuncture is considered a tax-deductible medical expense by the IRS.
