

What Makes Naeem's Acupuncture Different Than Other Doctors Or Acupuncturists?

- *Dr. Naeem uses his own unique methods of combining traditional medical knowledge with acupuncture and oriental medicine. Over the years his patients found it gives them healing and pain relief that was just not possible with traditional medicine or with other acupuncturists they have tried.*
- *Dr. Naeem has an extensive 22 years of medical training in Eastern and Western Medical Fields*
- *We treat as many physical complaints as possible during your session at no additional charge, regardless of how many different techniques are performed. We only charge extra for Herbal Formulas if desired, and Cosmetic Treatments.*
- *If you do not feel a difference in your*

symptoms after 3 Sessions we Will NOT suggest you continue with treatment.

- We DO NOT try to sell products or treatment packages to our patients. If your condition might be helped by an herbal formula you will be informed that it might be of a benefit to you. (Herbal formulas are only made on an individual basis for our patients as needed)*
